29. Service Appeal No. 1331/2022

As in all these appeals common question of law and facts are involved.

3. Brief facts of the case as given in the memorandum of appeal are that, the appellants were appointed as Primary School Teacher in Education Department vide order dated 02.06.2012 and was performing duties up to the entire satisfaction of their superiors. Respondents framed service rules of appellant cadre as well other teaching cadre vide notification dated 24.07.2014, wherein at Sr. No. 1B the of post SST (BPS-16) for which the qualification and eligibility has been mentioned in column No. 3. Respondent included all subjects except the subject of appellant i.e. Computer Science in the eligibility criteria. Respondents vide another notification dated 24.04.2018 notified Service Rules for the different cadre of Information Technology including the post of SST-IT mentioned at Sr. No. 2 in column No.5 of the table wherein eligibility for promotion to the post of SST-IT was fifty percent by initial recruitment and fifty percent by promotion on the basis of seniority-cum-fitness from amongst the CT-IT with five year service as such and having the qualification prescribed for the post of SST-IT. But in the said rules again the cadre/subject of the appellants have been ignored i.e PST-Computer Science. Feeling aggrieved from both the notifications, appellant alongwith others filed departmental appeal, which was not responded, hence the instant service appeal.

4. Respondents were put on notice who submitted written replies/comments on the appeal. We have heard the learned counsel for the appellant as well as the learned District Attorney for the respondents and perused the case file with connected documents in detail.

5. Learned counsel for the appellant argued that by not including the subject of computer science in the impugned service rules dated 24.07.2014

and not allocating the quota for appellant cadre i.e PST Computer Science in the impugned service rules dated 24.08.2018 is against the law, facts, norms of natural justice and material on the record, hence not tenable and liable to be modified/rectified to the extent of inclusion of subject of computer science in the eligibility criteria in the service rules. He further argued that the appellant has not been treated in accordance with law and rules and respondents violated Article 4 and 25 of the Constitution of Islamic Republic of Pakistan 1973. He contended that the said service rules are violative of Section 9 of the Civil Servant Act, 1973 read with Rule-7 of the (Appointment, Promotion and Transfer) Rules, 1989.

6. Conversely, learned District Attorney on behalf of respondents contended that appellants have been treated in accordance with law and rules. He further contended that framing service rules/structure for promotion to different teaching cadre employee of the department including the appellant against the SST (Science/General) posts under the specified reserved quota for promotion are prerogative of respondent department which they notified vide notification dated 24.07.2014. He further contended that service rules/structure are mainly based on natural justice and equality, wherein, each and every teaching cadre has a prospect of promotion to the higher post in the department on the basis of seniority-cum-fitness.

7. Perusal of record would reveals that appellants seeks modification in the service rules notified on 24.07.2014 to the extent of inserting the computer science subject of the appellant in Column No. 3 and service rules dated 24.04.2018 in column No. 5 by allocating promotion quota for the appellant's cadre i.e PST. The appellants were appointed as PST BPS-12 in education department vide order dated 10.05.2010, having qualification of B.Sc in

Computer Science and B.Ed and M.Ed. In accordance with service rules

framed and notified on 24.07.2014 qualification and eligibility for the post of SST BPS-16 has been mentioned in column No.3 of organogram, wherein subject of the appellant computer science was not mentioned and includes all other subjects which is as under:

1. At least second class Bachelor Degree's from a recognized University on need basis from the following groups with two subject

(a) Chemistry, Botany or Zoology or

(b) Physics, Maths "A" or "B" or Statistics or

(c) Humanities and other equivalent groups at degree level with English as compulsory subject; and

(II) Bachelor of Education or Master of Education (Industrial Art or Business Education) or M.A Education or equivalent qualification for a recognized University.

So subject of the appellant was ignored in 2014 service rules. Appellant also ignored in service rules framed in the field of information technology by the respondents notified on 24.04.2018 wherein post of Secondary School Teacher Information Technology (BPS-16) was included at serial No.2 and in column No.5 of the table of eligibility for promotion to the post of SST-IT which is as follows:

(a) 50% by promotion on the basis of seniority cum fitness from amongst the CT-IT with 5-year service as such and having the qualification prescribed for the post of SST-IT.

(b) 50% by initial recruitment

8. So appellants having higher education in the subject of Computer Science were treated discriminatory as they were deprived from further prospects of promotion which every civil servant have during his service.
