#### **GROUND:-**

- a. That as per various judgments it is established and settled principle that executive notifications cannot be given retrospective effect. A valid Notification which confers rights is always applicable with prospective effect, however, if an amendment notification that adversely affects the interests of the employees or causes disadvantage to the employee is not tenable in the eyes of law. The notification/guidance dated 06/08/2020 06/06/2023 are liable to be set-aside.
- b. That there are no terms and conditions of service mentioned in the appointment order of the appellant wherein, availing of promotion is mandatory. It is further submitted that employees in the past, have foregone their promotion along with their posting. It is submitted that when domestic and other personal issues do not permit the employees/appellant to avail the promotion order and in that case, the employees who foregone their promotion were allowed not to avail the promotion for a period of 04 years and on second refusal the employees were permanently debarred from availing the facility of promotion during their entire service. Hence the employees himself/herself forebear agonies of foregoing their promotions. As a result, junior to the appellant according to the order of seniority cum fitness are granted promotion to next rank.
- c. That as per Civil Servant laws, promotion is a kind of appointment which is always optional to get promotion or not, hence the impugned notification is void, illegal and against the law and the same to the extent of the appellant is liable to be set-aside.
- d. That it is further submitted that on account of grant of promotion, some employees who are suffering from severe medical ailment or facing acute domestic issues cannot avail promotion with transfer in other areas; therefore, no employee can be compelled to accept the promotion compulsorily, which is not beneficial to the employee but if an employee does not avail and get benefit of her promotion it must be optional for the employees as to whether to avail or forego the benefits. Any promotion without willingness of employee is illegal and liable to be setaside.

- c. That non-availing of promotion and foregoing thereof does not cause loss to the government exchequer and in consequence of foregoing promotion; pave way to the next employee in seniority, aspiring for promotion could be promoted.
- f. That the impugned promotion Notification dated 06/08/2020 communicated on 06/06/2023 is perverse, discriminatory, against the law, pungent and is a blunt blow of hammer on the rights of the appellant. It is not out of place to mention here that the appellant are teachers and have to look after their children as well as ailing dependent family members and in these circumstances in the presence of impugned Notification dated 06/08 /2023 communicated on 06/06/23 would not be able to serve in the department and which shall amount to the snatching of bread and butter of the poor employees

**It is, therefore, humbly prayed that on the acceptance of the instant Service Appeal; the impugned Notification bearing No. SO (POLICY) E&D/1-3/2020 DATED 06/08/2020, communicated to Respondent No.2 by Respondent NO.1, vide letter dated 06/06/2023, may please be declared and ordered to be struck down being Void; Ultra vires to the Constitution of Pakistan and against the fundamental principles of natural justice.**

**It is further prayed that no penal action as proposed and envisaged in letter dated 06/06/2023 may be declared as unlawful, illegal and without having any legal effect.**

**Any other relief, which this honorable Tribunal deems fit and proper in the circumstances of the case, may also be granted to the appellant.**

**AFFIDAVIT:**

I, (the appellant) solemnly declare that the contents of foregoing application are true and correct to the best of my knowledge and belief and nothing has been concealed therein from this Honourable Court.

1. That the instant application may be treated as part and parcel of service appeal of the appellant

Furthermore, those who are qualified to do so will comply with promulgation order  
of the competent authority of his/her country in accordance with the provisions of  
the Convention on International Trade in Endangered Species of Wild Fauna and Flora.

The first notable feature of the new system is its emphasis on a more integrated approach to energy efficiency. By combining energy management, waste reduction, and recycling, the system aims to create a more sustainable and efficient industrial environment. This integrated approach will help companies to identify opportunities for cost savings and environmental improvement across their entire operations.

In this article, we discuss the use of various methods to estimate the parameters of a two-parameter Weibull distribution. The maximum likelihood estimation (MLE) method is used to estimate the parameters. The Bayesian approach is also used to estimate the parameters. The performance of the MLE and Bayesian methods is compared using simulation studies. The results show that the MLE method performs better than the Bayesian method in terms of bias and mean squared error.
