R/Sir,

It is submitted that reply to Order Sheet dated 18.07.2024 Para No. 02 of the Honorable Service Tribunal Khyber Pakhtunkhwa, Peshawar is as under:-

"That the Enquiry Officer Mr. Abid Khan Afridi SDPO Takht-e-Nasrati reported that besides the statement of accused Constable Arshad Iqbal No. 173, the matter was also enquired through DSB Staff Circle Takht-e-Nasrati wherein it was reported that he has good character at local and residential levels, but from the perusal of his mobile CDR data, service roll, and general characteristics carefully which was not satisfactory. He was a complainer against respected officers several times during his service. Furthermore, the most important thing is to provide information about important dealings in such a most important case to an unrelated person or to criminals and elements connected with it, whereas the Gazetted officer writes a complaint against him and submit request for departmental proceedings which proves that he has links with criminals and shared/leaked them secret information. Therefore, the E.O recommended him for harsh punishment.

For further probe and for transparent enquiry, the said enquiry was re-entrusted to Mr. Bashir Dad, SP Investigation Wing Karak for review comments. The Enquiry Officer reported that it has become very crystal clear that the transportation of accused from Police Post Amjad Shaheed to PS Shah Salim was made through delinquent official Arshad Iqbal No. 173 accompanied with his Incharge HC Najeeb Ullah No. 290 and FC Umar Sawab No. 807, upon the directions of his immediate seniors. As far as, the allegations pertaining to share/leakage of Police secret information to private individuals/criminals are concerned, the available record/circumstantial evidence and secret probe reveal that he definitely extends every possible help to accused remained in Police custody. The accused in custody also managed cell phone to his relative in presence of the aforementioned officials due to which said delinquent FC proceeded departmentally.
