Respectfully Sheweth:

1. That, the appellant was appointed in police department as regular constable on dated 08/09/2014. (copy of appointment order is annexure A)
2. That after appointment the appellant served under the respondents of Swat police department till 13/06/2022 with zeal & spirit to the entire satisfaction of all concerned.

- iii That the appellant has been condemned unheard and his applications, appeals were refused by the respondents No 1,2.
- iv That the appellant is innocent, no proper procedure has been adopted by the concerned authorities before passing the impugned order OB No.21 dated 13/06/2022 by respondent No. 3 is illegal, void abinitio, unjustified in the eyes of law and is liable to be set aside.
- v That the law on the subject is very much clear & dismissal of the appellant is on baseless and proofless grounds is against his legal and fundamental rights enshrined in the service laws, rules, judgments of the

of Pakistan, 1973.*

- vi *That the respondents have not adopted the prescribed procedure as laid down by the law & procedure given in the said rules.*
- vii *That the major penalty of dismissal from service has been imposed against the appellant without providing an opportunity to the appellant to clarify the real situation.*
- viii *That the appellant has been condemned unheard and the order of dismissal has been passed without providing opportunity of hearing to the appellant, thus the golden principle of justice "audi alteram partem" has been violated & ignored in the very case of the appellant, so the impugned order is liable to be set aside.*
- ix *That the impugned order has been passed without any jurisdiction and lawful authority; the appellant was recruited through the course of law and therefore, could not be terminated without adopting due course of law without providing the opportunity of hearing is*

(B)

unlawful and comes in the bound of injustice. Furthermore, the appellant served under the respondents for years but just one stroke of the pen he was fired from service.

x That with the permission of this Honorable Court other grounds which are not mentioned in this appeal shall be argued at the time of arguments.
