SERVICE TRIBUNAL ACT, 1974 FOR  
TREATING THE PROMOTION OF THE  
APPELLANT FROM THE DATE HE HAS  
QUALIFIED ON, AND THE VACANCIES HAD  
BECOME AVAILABLE:***

***Sheweth;***

- 1) That numerous vacancies of SST in BPS-16 were available in the respondent-department since long and no steps were taken for appointments against those posts. However, in the year 2009 an advertisement was published in the print media, inviting applications for appointments against those vacancies, but a rider was given therein that in-service employees would not be eligible and they were restrained from making applications.
- 2) That the appellant do belong to the category of in-service employees, who were not permitted to apply against the stated SST vacancies.
- 3) That those who were appointed on adhoc/ contract basis against the abovesaid vacancies were later on regularized on the strength of KPK Employees (Regularization of Services) Act, 2009 (Act No.XVI of 2009)
- 4) That the regularization of the adhoc/ contract employees, referred to in the preceding para, prompted the left out contentents, may be the in-service employees who desired to take part in the competition or those who did fall in the promotion zone, to file writ petitions, which were ultimately decided vide a **consolidated judgment dated 26.01.2015** (Annex "A")

Filed to-day

Registrar

- 5) That while handing down the judgment, *ibid*, the Hon'ble Peshawar High Court was pleased to consider the promotion quota under paragraph 18 of the judgment, as also a direction was made in that respect in the concluding para to the following effect:-

*“Official respondents are directed to workout the backlog of the promotion quota as per above mentioned example, within 30 days and consider the in-service employees, till the backlog is washed out, till then there would be complete ban on fresh recruitments”*

- 6) That during the pendency of the stated writ petition and without waiting for the final decision, respondent No.2 issued promotion order dated **21.02.2013** (Annex “B”), but **with immediate effect**, as against the law laid down by the august Supreme Court, that the promotees of one batch/ year shall rank Senior to the initial recruits of the same batch/ year.
- 7) That till date seniority list of the SSTs in BPS-16 has not been issued, as against the legal obligation of the respondents to issue seniority list every year.
- 8) That though the appellant was having the required qualification much earlier and the vacancies were also available, but he was deprived of the benefit of promotion at that juncture, as against the principle of law laid down by the apex Court in the case of **Azam Ali reported 1985 SCMR 386 and followed in Muhammad Yousaf (1996 SCMR 1287)**. As such he was deprived from the enjoyment of the high post not only in terms of status but also in terms of financial benefits for years. It may not be out of place to mention here that the appellant was at promotion zone at the time of Regularization of Adhoc recruits of 2009.
- 9) That appellant alongwith others filed W.P.No.1951-P/2016 for issuance of seniority list and considering the appellant from the date when the Adhoc Employees were regularized instead of immediate effect.
- 10) That the stated writ petition has been decided by worthy Peshawar High Court vide order dated 01.12.2016. (Copy of W.P.No.1951 and order is attached as Annex “C”)
- 11) That pursuance to judgment passed in W.P.NO.1951/2016, the appellant filed departmental appeal (Annex “D”) to respondent No.3 through proper channel vide DD No.377 dated 27.01.2017 (Annex “E”) which was not decided/ responded within the statutory period, hence the instant service appeal *inter alia*, on the following:-

GROUNDS:

- A. That the appellant was equipped with all the requisite qualification for promotion to the posts of SST (BPS-16) long ago and also the vacancies were available but for no valid reason the promotion was withheld and the post was retained vacant in the promotion quota,

creating a backlog, which was not attributable to the appellant, hence, as per following examination by the august Supreme Court, the appellant are entitled to the back benefits from the date the vacancies had occurred;

*“promotions of such promotee (appellant in the instant case) would be regular from date that the vacancy reserved under the Rules for departmental promotion occurred”*

- B. That the appellant has a right and entitlement to the back benefits attached to the post from the day of the qualification of the appellant and availability of the vacancies coincided.
- C. That the appellant being the promotee of one and the same batch, are required to be placed senior to the fresh appointees, but the respondents have sat on the seniority list and uptill now no seniority list whatsoever has been issued/ circulated.
- D. That the appellant has been discriminated, which goes against the provision of Articles 25 and 27 of the Constitution, 1973.
- E. That the appellant has not been treated in accordance with law as against the provisions of Article 4 of the Constitution.
- F. That appellant reserve his right to urge additional grounds with leave of the Tribunal, after the stance of the respondents becomes known to him.

Prayer:

In view of the foregoing, it is, therefore, prayed that on acceptance of this appeal, this Hon'ble Tribunal may be pleased to issue an appropriate direction to the respondents for treating the promotion of the appellant from the date he was qualified on, and the vacancies had become available, and the impugned order may kindly be modified by giving effect from the date when the fresh recruits are regularized w.e.f. 2009 alongwith back benefits in accordance to the judgment dated 26.01.2015 and also to circulate the seniority list of SSTs (BPS-16), giving senior positions to the appellant being promotee against the fresh recruits.

Any other remedy to which the appellant is found fit in law, justice and equity may also be granted.

It is further prayed that the notification No.A-14/SET(M) dated 11.12.2009 and Notification No.A-17/SET(5) Contract-Appnt:2009 dated 11.12.2009, as well as Notification No.SO(G)ES/1/85/2009/SS(Contract) dated

That before the promulgation of Act No.XVI of 2009, it was practice of the Education Department that instead of promoting the eligibile and competent persons amongst the teachers community, they have been advertising the above noted posts of SET (BPS-16) and Subject Specialist (BPS-17) on the basis of open merit/adhoc/contract wherein it was clearly mentioned that the said posts will be temporary and will continue only for a tenure of six months or till the appointment by the Public Serviced Commission or Departmental Selection Committee That after passing the KPK Act No.XVI of 2009 by the Provincial Assembly the fresh appointees of six months and one year on the adhoc and contract basis including respondents no.9 to 1351 with a clear affidavit for not adopting any legal course to make their services regularized, have been made permanent and regular employees whereas the employees and teaching staff of the Education Department having at their credit a service of minimum 15 to maximum 30 years have been ignored. That as per contract Policy issued on 26/10/2002 the Education Department was not authorised/entitled to

That after the publication made by the Public Service Commission thousands of teachers eligible for the above said posts have already applied but they are still waiting for their calls and that through the above Act thousands of the adhoc teachers have been regularized which has been adversely effected the rights of the petitioners, thus having no efficacious and adequate remedy available to the petitioners, the have knocked the door of this Court through the aforesaid constitutional petitions.

It was further stated that Rule 3(2) of the N.W.F.P. 6- The grievance of the petitioners is two fold in respect of Khyber Pakhtunkhwa, Employees (Regularization of Services) Act, 2009 firstly, they are alleging that regular post in different cadres were advertised through Public Service Commission in which petitioners were competing with high profile carrier but due to promulgation of Act *ibid*, they could not made through it as no further proceedings were conducted against the advertised post and secondly, they are agitating the legitimate expectancy regarding their promotion, which has been blocked due to the in block induction / regularization in a huge number, courtesy Act, No. XVI of 2009.

7- As for as, the first contention of advertisement and in block regularization of employees is concerned in this respect it is an admitted fact that the Government has the right and prerogative to withdraw some posts, already advertised, at any stage from Public Service Commission and secondly no one knows that who could be selected in open merit case, however, the right of competition is reserved. In the instant case KPK, employees

(Regularization of Services) Act, 2009, was promulgated, which in-fact was not the first in the line rather N.W.F.P (now Khyber Pakhtunkhwa) Civil Servants (Regularization of Services) Act, 1988, NWFP (now Khyber Pakhtunkhwa) (Regulation of Services) Act, 1989 & NWFP (now Khyber Pakhtunkhwa) Adhoc Civil Servants (Regularization of Services) Act, 1987 were also promulgated and were never challenged by anyone.

8- In order to comment upon the Act, *ibid*, it is important to go through the relevant provision which reads as under:-

S.2 Definitions. (1)---

a)----

aa) "contract appointment" means appointment of a duly qualified person made otherwise than in accordance with the prescribed method of recruitment.

b) "employee" means an adhoc or a contract employee appointed by Government on adhoc or contract basis or second shift/night shift but does not include the employees for project post or appointed on work charge

basis or who are paid out of contingencies;

----- whereas,

S. 3 reads:-

Regularization of services of certain employees.---- All employees including recommendee of the High Court appointed on contract or adhoc basis and holding that post on 31<sup>st</sup> December, 2008 or till the commencement of this Act shall be deemed to have been validly appointed on regular basis having the same qualification and experience for a regular post;

9- The plain reading of above sections of the Act, *ibid*, would show that the Provincial Government, has regularized the "duly qualified persons", who were appointed on contract basis under the Contract Policy, and the said Contract Policy was never ever challenged by any one and the same remained in practice till the commencement of the said Act. Petitioners in their writ petitions have not quoted any single incident / precedent showing that the regularized employees under the said Act, were not qualified for the post against

which they are regularized, nor had placed on record any documents showing that at the time of their appointment on contract they had made any objection. Even otherwise, the superior courts have time and again reinstated employees whose appointments were declared irregular by the Government Authorities, because authorities being responsible for making irregular appointments on purely temporary and contract basis, could not subsequently turned round and terminate services because of no lack of qualification but on manner of selection and the benefit of the lapses committed on part of authorities could not be given to the employees. In the instant case, as well, at the time of appointment no one objected to, rather the authorities committed lapses, while appointing the private respondent's and others, hence at this belated stage in view of number of judgments, Act, No. XVI of 2009 was promulgated. Interestingly this Act, is not applicable to the education department only, rather all the employees of the Provincial Government, recruited on contract basis till 31<sup>st</sup> December 2008 or till the commencement of this Act have been

ATTESTED  
 EXAMINER  
 Provincial High Court

regularized and those employees of to other departments who have been regularized are not party to this writ petition.

10- All the employees have been regularized under the Act, *ibid* are duly qualified, eligible and competent for the post against which they were appointed on contract basis and this practice remained in operation for years. Majority of those employees getting the benefit of Act, *ibid* may have become overage, by now for the purpose of recruitment against the fresh post.

11- The law has defined such type of legislation as "**beneficial and remedial**". A beneficial legislation is a statute which purports to confer a benefit on individuals or a class of persons. The nature of such benefit is to be extended relief to said persons of onerous obligations under contracts. A law enacted for the purpose of correcting a defect in a prior law, or in order to provide a remedy where non previously existed. According to the definition of *Corpus Juris Secundum*, a remedial statute is designed to correct an existence law, redress an existence grievance, or introduced regularization conducive to the public goods. The challenged

Act, 2009, seems to be a curative statute as for years the then Provincial Governments, appointed employees on contract basis but admittedly all those contract appointments were made after proper advertisement and on the recommendations of Departmental Selection Committees.

12- In order to appreciate the arguments regarding Beneficial legislation it is important to understand the scope and meaning of beneficial, remedial and curative legislation.

Previously these words have been explained by N.S Bindra in interpretation of statute, tenth edition in the following

manners:-

"A statute which purports to confer a benefit on individuals or a class of persons, by relieving them of onerous obligations under contracts entered into by them or which tend to protect persons against oppressive act from individuals with whom they stand in certain relations, is called a beneficial legislations....In interpreting such a statute, the principle established is that there is no room for taking a narrow view but that the court is entitled to be generous towards the persons on whom the benefit has

Stamp: 1015

been conferred. It is the duty of the court to interpret a provision, especially a beneficial provision, liberally so as to give it a wider meaning rather than a restrictive meaning which would negate the very object of the rule. It is a well settled canon of construction that in constructing the provision of beneficent enactments, the court should adopt that construction which advances, fulfils, and furthers the object of the Act, rather than the one which would defeat the same and render the protection illusory..... Beneficial provisions call for liberal and broad interpretation so that the real purpose, underlying such enactments, is achieved and full effect is given to the principles underlying such legislation."

Remedial or curative statutes on the other hand have been explained as:-

"A remedial statute is one which remedies defect in the pre existing law, statutory or otherwise. Their purpose is to keep pace with the views of society. They serve to keep our system of jurisprudence up to date and in

harmony with new ideas or conceptions of what constitute just and proper human conduct. Their legitimate purpose is to advance human rights and relationships. Unless they do this, they are not entitled to be known as remedial legislation nor to be liberally construed. Manifestly a construction that promotes improvements in the administration of justice and the eradication of defect in the system of jurisprudence should be favoured over one that perpetuates a wrong".

Justice Antonin Scalia of the U.S. Supreme Court in his book on Interpretation of Statute states that:

"Remedial statutes are those which are made to supply such defects, and abridge such superfluities, in the common law, as arise from either the general imperfection of all human law, from change of time and circumstances, from the mistakes and unadvised determinations of unlearned (or even learned) judges, or from any other cause whatsoever."

13- The legal proposition that emerges is that generally beneficial legislation is to be given liberal interpretation, the beneficial legislation must carry curative or remedial content

Such legislation must therefore, either clarify an ambiguity or an omission in the existence and must therefore, the explanatory or clarificatory in nature. Since the petitioners does not have the vested rights to be appointed to any particular post, even advertised one and private respondents who have being regularized are having the requisite qualification for the post against which the were appointed, vide challenged Act, 2009, which is not effecting the vested right of anyone, hence, the same is deemed to be a beneficial, remedial and curative legislation of the Parliament.

14- This court in its earlier judgment dated 26<sup>th</sup> November 2009 in WP No. 2905 of 2009, wherein the same Khyber Pakhtunkhwa (Regularization of Servers ) Act, 2009, vires were challenged has held that this court has got no jurisdiction to entertain the writ petition in view of Article 212 of the Constitution of Islamic Republic of Pakistan, 1973, as an Act, Rule or Notification effecting the terms and conditions of service, would not be an exception to that, if seen in the light of the spirit of the ratio rendered in the case of

I.A.Sherwani & others Versus Government of Pakistan,  
reported in 1991 SCMR 1041. Even otherwise, under Rule 3  
(2) of the Khyber Pakhtunkhwa (Civil Servants)  
(appointment), promotion and transfer) Rules 1989, authorize  
a department to lay down method of appointment,  
qualification and other conditions applicable to the post in  
consultation with Establishment & Administrative Department  
and the Finance Department. In the instant case the duly  
elected Provincial Assembly has passed the Bill/Act, which  
was presented through proper channel i.e Law and  
Establishment Department, which cannot be quashed or  
declared illegal at this stage.

15- Now coming to the second aspect of the case, that  
petitioners legitimate expectancy in the shape of promotion  
has suffered due to the promulgation of Act, *ibid*, in this  
respect, it is a long standing principle that promotion is not a  
vested right but it is also an established principle that when  
ever any law, rules or instructions regarding promotion are  
violated then it become vested right. No doubt petitioners in  
the first instance cannot claim promotion as a vested right

but those who fall within the promotion zone do have the right to be considered for promotion.

16- Since the Act, XVI of 2009 has been declared a beneficial and remedial Act, for the purpose of all those employees who were appointed on contract and may have become overage and the promulgation of the Act, was necessary to given them the protection therefore, the other side of the picture could not be brushed a side simply. It is the vested right of in service employees to be considered for promotion at their own turn. Where a valid and proper rules for promotion have been framed which are not given effect, such omission on the part of Government agency amounts to failure to perform a duty by law and in such cases, High Court always has the jurisdiction to interfere. In service employees / civil servants could not claim promotion to a higher position as a matter of legal right, at the same time, it had to be kept in mind that all public powers were in the nature of a sacred trust and its functionary are required to exercise same in a fair, reasonable and transparent manner strictly in accordance with law. Any transgression from such

principles was liable to be restrained by the superior courts in their jurisdiction under Article 199 of the Constitution. One could not overlook that even in the absence of strict legal right there was always legitimate expectancy on the part of a senior, competent and honest carrier civil servant to be promoted to a higher position or to be considered for promotion and which could only be denied for good, proper and valid reasons.

17- Indeed the petitioners can not claim their initial appointments on a higher post but they have every right to be considered for promotion in accordance with the promotion rules, in field. It is the object of the establishment of the courts and the continue existence of courts of law is to dispense and foster justice and to right the wrong ones. Purpose can never be completely achieved unless the injustice done was undone and unless the courts stepped in and refused to perpetuate what was patently unjust, unfair and unlawful. Moreover, it is the duty of public authorities as appointment is a trust in the hands of public authorities and it is their legal and moral duty to discharge their functions as

trustee with complete transparency as per requirement of law, so that no person who is eligible and entitle to hold such post is excluded from the purpose of selection and is not deprived of his any right.

18- Considering the above settled principles we are of the \*  
firm opinion that Act, XVI of 2009 is although beneficial and remedial legislation but its enactment has effected the in service employees who were in the promotion zone, therefore, we are convinced that to the extent of in service employees / petitioners, who fall within the promotion zone have suffered, and in order to rectify the inadvertent mistake of the respondents/Department, it is recommended that the promotion rules in field be implemented and those employees in a particular cadre to which certain quota for promotion is reserved for in service employees, the same be filled in on promotion basis. In order to remove the ambiguity and confusion in this respect an example is quoted, " If in any cadre as per existence rules, appointment is to be made on 50/50 % basis i.e 50 % initial recruitment and 50 % promotion quota. then all the employees have been

APPROVED

regularized under the Act in question be calculated in that cadre and equal number i.e remaining 50 % are to promoted from amongst the eligible in service employees, other wise, eligible for promotion on the basis of sonority cum fitness."

19- In view of the above, this writ petition is disposed of in the following terms:-

(i) "The Act, XVI of 2009, commonly known as (Regularization Of Services) Act, 2009 is held as beneficial and remedial legislation, to which no interference is advisable hence, upheld.

(ii) Official respondents are directed to workout the backlog of the promotion quota as per above mentioned example, within 30 days and consider the in service employees, till the backlog is washed out, till then there would be complete ban on fresh recruitments.

Order accordingly.

OF THE CONSTITUTION OF THE

Sheweth;

- 1) That numerous vacancies of SST in BPS-16 were available in the respondent department since long and no steps were taken for appointments against those posts. However, in the year 2009 an advertisement was published in the print media, inviting applications for appointment against those vacancies, but a rider was given therein that in-service employees would not be eligible and they were restrained from making applications.
- 2) That the petitioners do belong to the category of in-service employees, who were not permitted to apply against the stated SST vacancies.
- 3) That those who were appointed on adhoc/ contract basis against the abovesaid vacancies were later on regularized on the strength of KPK Employees (Regularization of Services) Act, 2009 (Act No.XVI of 2009)
- 4) That the regularization of the adhoc/ contract employees, referred to in the preceding para, prompted the left out contendents, may be the in-service employees who desired to take part in the competition or those who did fall in the promotion zone, to file writ

*"Official respondents are directed to workout the backlog of the promotion quota as per above mentioned example, within 30 days and consider the in-service employees, till the backlog is washed out, till then there would be complete ban on fresh recruitments"*

- 6) That the petitioners were considered for promotion, pursuant to the findings given by this august Court in the aboveresferred judgment, and they were appointed on promotion on various dates ranging from 01.03.2012 to 31.07.2015 (Annex "B"), but with immediate effect, as against the law laid down by the august Supreme Court, that the promotees of one batch/ year shall rank Senior to the initial recruits of the same batch/ year.
- 7) That till date seniority list of the SSTs in BPS-16 has not been issued, as against the legal obligation of the respondents to issue seniority list every year.
