PLACING ON FILE IMPLEMENTATION REPORT

Respectfully sheweth!

1. The implementation part of the order issued by the Honorable Tribunal is reproduced below,

“ Along with the service appeal there is an application for suspension of operation of the impugned transfer orders dated 05.07.2024, 06.09.2024, 13.09.2024 and appellate order dated 25.09.2024 whereby the appellant was transferred till the disposal of the main appeal. Notice of the said application be issued to the respondents for the date fixed. In the meanwhile, status quo be maintained till the next date, if not already acted upon.”
2. The respondent No. 03 being the competent authority assumed that Honorable Tribunal directed to maintain status quo **if the impugned orders are not already acted upon**. The condition of the status quo was quite clear in the order.

well

- ③
3. The appellant submitted the application with Respondent No. 03 on 04-10-2024 wherein he stated that as the Honorable Tribunal has granted the status quo in the main appeal he may be allowed to resume his duties at Village Council Kayal.
 4. It is submitted in this regard that the appellant was transferred from Village Council Kayal vide order dated 05.09.2024, However the appellant never handed over the charge of Village council Kayal. Then the second order dated 06.09.2024 was issued but was reversed and replaced with order dated 13.09.2024. The appellant was adamant about not handing over the charge to the Respondent No. 05 therefore the later was directed to take over the charge for smooth and efficient service delivery and he assumed the charge on 16.09.2024 (**Annex-A**), well before the filing of appeal in Service Tribunal by the appellant.
 5. The respondent No. 05, who was posted in place of the appellant, changed the signatory of Village Council Bank Account (**Annex-B**) and was also handed over the available office furniture that was present in the office of the Respondent No. 03 before the submission of appeal by the appellant,
 6. The office record and login details of CRVS system -an online system used by Village council secretaries to register birth, death, marriage and divorces- are still with the appellant and because of the status quo granted by Honorable Tribunal the same have not been withdrawn or retrieved from the appellant, which has resulted in major administrative issues not only for respondents but the public at large is also suffering as no certificate can be issued by respondent No.5 in the absence of login details of CRVS System, therefore it is requested that the status quo order be vacated or modified to the extent to allow the respondent No.5 to use the CRVS System till the final disposal of the appeal. So that the public at large may not suffer due to the on-going litigation.
 7. It is therefore most humbly submitted that the orders of the Honorable Tribunal have been implemented in true letter and spirit and without any prejudice.

PRAYER: In wake of the above, the implementation petition being devoid of merit, substance and contrary to facts may kindly be dismissed.
